

PARLIAMENT OF THE KINGDOM OF LESOTHO

NATIONAL ASSEMBLY

NOTICE PAPER NO. 390

Monday 22nd September, 2025

NOTICE OF MOTION

Notice given on Monday 22nd September, 2025

Hon. M. Motsoasele –

209. ESTABLISHMENT OF A CLIMATE CHANGE CAUCUS.

That this Honourable House resolves to establish a climate change caucus in Parliament as a multi-party, cross-sectoral platform for Members of Parliament to work collaboratively with relevant ministries, civil society, research institutions, and international partners to strengthen the legislative and oversight role of Parliament in advancing climate resilience and a just transition and to ensure a unified and proactive national response to the climate crisis.

The caucus will:

- Enhance knowledge and awareness of climate change issues.
- Facilitate dialogue, coordination and policy coherence on climate change across committees.
- Champion evidence-based climate legislation and budget allocations.
- Ensure inclusivity by integrating gender, youth and vulnerable groups in climate discourse.
